The execution of this Addendum is made in conjunction for the 2009 Breeding Season for *ETCHED IN THE STARS* AQHA# 4024134, and The Mare, _____, recognized as _____, registered with _____ breed registry (is). Mare Owner hereby confirms reservation via transported cooled semen as evidenced by signatures on Breeding/Service Contract and the Addendum.

1. Stallion Service Fee, Booking Fee, container deposit & shipping fees must be paid in full prior to shipment of semen.
2. Payments must be made in U.S funds utilizing cash, cashier's check or certified checks only.
3. First shipment of semen is free; however, Mare Owner is still required to pay deposit on Equitainer.
4. Mare Owner agrees to pay the following charges associated with the transportation of cooled semen:
 - a. A paid deposit of \$350.00 for use of Equitainer. As stated above, this must be paid in full prior to shipment. The Equitainer must be returned via overnight delivery to Eclipse Quarter Horses within forty-eight (48) hours at Mare Owners expense. If it is not returned within five (5) working days from farm shipment, Mare Owner will be assessed a \$25 a day late fee. Mare Owner may provide his/her own Equitainer clearly marked with address provided it is in good condition.
 - b. For each shipment of cooled semen, charges will include a \$150.00 handling fee in addition to standard overnight shipping costs via FedEx or UPS. If same day delivery is required, Mare Owner agrees to pay an additional \$175.00 for such service (counter-to counter shipments)
1. Procedure for reservation of shipped semen:
 - a. Semen will be collected and shipped on breeding days only. Breeding days will be Monday, Wednesday and Friday.
 - b. All semen orders must be received 24 hours in advance. Requests will be filled in the order in which they are received. Preference will be given to mares receiving a first shipment over mares receiving second or third shipments. Mare Owner recognizes that orders received past 12:00 p.m. may not be sent counter –to counter due to airline schedules. Any cancellations after 2:00 p.m. on the day of the request, may incur shipping charges if processing is complete.
 - c. Mare Owner shall notify Stallion Owner when the mare first shows signs of heat for the purpose of scheduling
 - d. Semen may on be used on the mare designated in the Contract Addendum
1. Mare Owner agrees to use the utmost diligence along with contemporary industry practice in the Breeding and insemination of The Mare. Stallion Owner reserves the right the refuse semen shipments to Mare Owner after two shipments.
2. Mare Owner agrees to have The Mare examined by an early ultrasound scan fourteen (14) days after The last day of insemination and promptly notify Stallion Owner of pregnancy status. It is necessary for LFG that The Mare be pregnancy checked again forty (40) to forty-five (45) days by manual palpation by a vet.
3. Stallion Owner shall ship semen that has been analyzed and tested to be free from infectious diseases. Motility, collection, packaging procedures and sperm count meet and/or exceed industry standards Additionally, The Stallion has been DNA typed and recorded with the American Quarter Horse Association.
4. If the Mare fails to conceive within one breeding season after two (2) semen shipments, Stallion Owner reserves the right to charge an additional \$350.00 handling fee the following season. Stallion Owner may also pursue its rights to require the mare to come to the farm to get her successfully in foal, with a heart beat before leaving breeding barn.
5. Mare Owner agrees to comply with all breed association requirements with regard to the use of transported cooled semen. Appropriate documentation required by the various associations shall be dealt with accordingly and timely. DNA and parentage verification for the resulting foal shall be a Mare Owner's expense. The parties further agree to strictly abide by Rule 209 as contained in the AQHA Official Handbook or as amended from time to time by AQHA.
6. Mare Owner's signature represents a complete full understanding of its terms and conditions. This Addendum shall become incorporated to the Breeding Contract as a binding, legal, instrument to be

construed in accordance with the laws of the state of Wisconsin. It shall be binding upon the parties' heirs, assigns and successors in interest. The addendum and the Breeding Contract shall constitute the entire agreement between the parties listed below. No other agreements, whether verbal or implied, shall be included.
